

1:3 DVD Copy Tower Dual™ Stand-Alone DVD Duplicator (Part #260125)

The Alera Technologies 1:3 DVD Copy Tower Dual DVD/CD Duplicators can simultaneously duplicate up to 3 copies of a typical DVD at up to 4x speeds. The DVD Copy Tower Dual can duplicate using both DVD-R/RW and DVD+R/RW blank media. It is the professional, yet simple, solution for creating volumes of DVD and CD copies quickly and easily.

DVD Copy Tower Dual's Powerful Control Features with Selectable Functions:

Copy - Immediately copy source disc

Test Copy Disc - Test the copy process before copying starts without burning a DVD/CD

Test and Copy - Test before copy process starts and then start copy process automatically

Verify - Verify that the copies can be read in a DVD/CD-ROM

Compare - Compares of copies to the source DVD/CD after the copy process

Prescan - Tests the source DVD/CD integrity and reading speed

Disc Info - Shows track information on the source DVD/CD

Select Source - Select either DVD-ROM or DVD Recorder as the source drive

Edit Track - Select Tracks from several audio CDs to make a custom compilation

Setup - Select Read Speed, Write Speed, Auto Verify, Auto Compare, Auto Prescan, Disc Eject sequence, Button sound, and much more
