**DVD Copy Cruiser Dual<sup>TM</sup>**  
 DVD Duplicator  
 (Part # 260124)

Alera Technologies, the leader in desktop optical disc duplicator technology, has established a reputation with its 1:1 duplicators as being the company that offers duplicators with the performance and features required by professionals, at consumer prices. Now Alera Technologies has developed the DVD Copy Cruiser Dual with the capability to duplicate DVDs at up to astonishing 4x speeds and with the control features needed in a professional environment. With the DVD Copy Cruiser Dual you can use both DVD-R/RW and DVD+R/RW blank media.

**DVD Copy Cruiser Dual's powerful control features with Selectable Functions:**

- Copy** – Select writing speed and immediately copy source disc
- Test Copy Disc** – Test the copy process before copying starts without burning a CD
- Edit Track** – Select Audio Tracks from several Audio CDs to make a custom discs for uncluttered listening enjoyment
- Close Disc** – Closes your custom creations so they can be played back in players and CD-ROM drive
- Quick Erase** – Fast erase of CD-RW discs so they can be reused quickly
- Full Erase** – Removes all data from CD-RW discs
- System** – Hardware information (CD-ROM, CD-RW), Firmware info and upgrade
- Music Player** – Plays music to speakers connected to the rear audio terminal or the earphone jack of the CD-ROM drive

The DVD Copy Cruiser Dual can also be used as a powerful 4x DVD Recorder when attached to a PC via the available external USB 2.0 connection.
