

# **OCTAVE** *C o p y M a s t e r* SYSTEMS INCORPORATED

## **CD, DVD or Karaoke 1, 4, or 7**

Octave Systems is proud to announce the newest addition to its CD/DVD duplicator line. The Copy Master is available as a CD, DVD/CD, or Karaoke Duplicator. 1-1, 1-4 or 1-7 configurations are offered. The 1-4 and 1-7 have 80 GB hard disc drives installed.

The Copy Master uses quality parts in all machines. Each machine goes through a 24 hr rigors burn-in period.

Copies can be made directly from the ROM or directly from the included 80

GB hard drive. 73 CD or 16 DVD images can be stored and kept ready for fast simple copying.

Data, Audio, Video CD, DVD, Karaoke and most other formats are handled with ease. Audio CDs can be played directly from the CD duplicator on optional powered speakers.

The Copy Master has a low technical support record. The simplicity of the design ensures worry free operation. There is not robotics to burn out or arms to miss align.

### **Features:**

- Standalone tower duplicator
- Copies directly from Reader to one, four or seven recorders with the touch of a single button
- 80Gb hard drive that can store 73 CD images or 16 DVD images
- Audio line output jacks provide ability to play audio CDs from the ROM or first recorder
- Activity display shows details of all recording events
- Simulation mode to ensure recording stability
- Full Self Test Diagnostics

### **Specifications:**

- Warranty: 1 Year parts and labor
- Pricing/Configurations at:
