DRX-120L

External i.LINK® Interface DVD+RW/+R and CD-R/RW Recorder DRX-120L

FEATURES AND BENEFITS

- Records on DVD+RW, DVD+R, and standard CD-R/RW discs so you can choose the right disc for the task at hand.
- Included neoDVD™standard™ DVD Video/Video CD authoring software will convert your home movies into DVDs or Video CDs for easy sharing.
- Power-Burn™ conformed anti-buffer underrun technology for reliable burns.
- Protect your valuable data against system failures by backing it up with included Retrospect Express backup software.
- Burn custom music CDs, share photos and video, and so much more!
- External i.LINK® (IEEE1394) drive is "plug & play" compatible and allows easy "daisy-chain" connection of other i.LINK*** devices, such as DV camcorders.
