

DIVA™ DRW-E8010 DVD Recorder

A full-function DVD Player, supporting DVD, VCD, CD-DA, CD-ROM, CD-R, and CD-RW functions, now you can record all of your memories in state-of-the-art quality. Record from your television and transfer video from your camcorder or VCR to DVD discs. All of your recordings can be played on most DVD players. Supports high-resolution TFT LCD panels for visual display, and 1.5W stereo speakers support for audio. Also includes a lithium rechargeable battery pack to eliminate power source limitations.
